SECTION B.

GENERAL PROVISION OF HEALTH SERVICES.

1. (a) One part-time Medical Officer of Health.
(b) One Sanitary Inspector.
2. (a) Laboratory facilities. There is an Emergency Public Health laboratory which serves the County Council and the District Council.
(b) There are District Nurses in several villages.
(c) Isolation. Cases of infectious disease are admitted to the Urban District Council Isolation Hospital.

SECTION C.

WATER SUPPLY.

This is improving and a good many villages have now a piped supply.

A commencement has now been made to supply the villages of Grayingham and Blyborough, Willoughton, Glentworth, Fillingham, Hemswell, Walkerith, Wildsworth and East Ferry. This will complete the whole of the area.

DRAINAGE AND SEWERAGE.

Six drains have been examined and repaired.

OFFENSIVE TRADES.

There is only one in the area and in this there have been no contraventions of regulations.

SECTION D.

HOUSING.

1. Inspections.
298 houses have been inspected during the year. These inspections have been made where and when complaints have been received.
2. Defects.
15 defects were remedied in consequence of informal action.
3. New houses.
None have been built.

SECTION E.

(a) MILK SUPPLY.

This is quite good. Samples are taken for testing regularly by the County Council.
There are no milk-shops or dairies on the register.
Cowsheds: There are approximately 220 in the area.
No contraventions of regulations.

(b) MEAT.

There are sixteen slaughterhouses on the register.

This is my 35th and concluding annual report. I should wish to place on record my appreciation of the friendly and helpful relations which have always existed between myself and the succeeding officials and members of the Gainsborough Rural District Council during this quite considerable period of years.

I think there is no doubt that the change-over is greatly to the advantage of the District

I remain,

Your former obedient servant,

H. B. WILLOUGHBY SMITH.

M.O.H.
